

Current | Pay Anyone Debit Authorization Terms

Effective: June 22, 2026

I hereby irrevocably and unconditionally authorize Finco Services, Inc. d/b/a Current ("Current") to electronically debit funds from my Current account (and, if necessary, electronically credit my account to correct erroneous debits) and transfer such funds to the external debit card I have designated via the Current Pay Anyone service. I acknowledge that Pay Anyone transfers are subject to a fee of up to 2% of the transaction (with a minimum fee of \$0.25 and a maximum fee of \$50 per transaction) and agree to pay such fee.

I also acknowledge and agree that:

- The Pay Anyone transfer that I have authorized herein complies with all applicable law.
- Once I send funds to a Receiver via Pay Anyone and provide them with a Payment Link, I can only cancel that Pay Anyone transfer if the Receiver has not completed the necessary steps to receive the funds.
- If I transfer funds via Pay Anyone to a person I do not know, I may lose the full amount of my Pay Anyone transfer.
- If I do not have sufficient funds available in my Current Account on the date selected, my Pay Anyone transfer will not be completed.
- My use of Pay Anyone is subject to the Current Pay Anyone Terms and Conditions ("Pay Anyone Terms"). All capitalized terms not defined herein will have the meanings given to them in the Pay Anyone Terms.

For questions about Pay Anyone, please contact Support via the Current mobile app, or by sending an email to support@current.com, or calling at 1-888-851-1172.

We recommend that you retain a copy of this authorization for your records.
